Our Superintendent

"Members of the Class of 1955"

"Congratulations on finishing your high school course. Your class has made an enviable record of cooperation and good citizenship. It is our hope that you will continue to meet life's challenges in the same way. In so doing you will not only be a credit to your school and community but will derive much satisfaction and happiness from a life well spent."

G. H. Burns

Our Principal

"I say to you, graduates, regardless of how many red traffic-lights the world turns on in your road, the go-ahead signal is not far behind. Service is the road to happiness. When we love, we serve. As long as you are loved by others, I would say that you are indispensable. No man is useless while he has a friend."

Class History

We began our high school years as Freshmen, a little scared, but not too scared to go on. Mary Ann Vogeli served as our first class president, and under her were: Jim Haube, vice-president, and Nancy Lorenc, secretary-treasurer. Our advisers were Mrs. Jo Ellen Baggett and Mr. C. L. Steininger.

We then journeyed on to our Sophomore year with Mr. John Colmery and Mr. James Stebbins as our advisers. Mary Ann Vogeli again served as class president. Other members on the cabinet were: Suzie Meinert, vice-president; Jim Haube, secretary; and Nancy Lorenc, treasurer. Our first project was the Sophomore Skating Party which was well attended by the student body.

Along came our Junior year. Mrs. Jo Ellen Baggett and Mr. B. F. Butt were our homeroom teachers this year; our cabinet: Stan Reiter, president; Kenny Gwozdz, vice-president; Jerry Vascik, secretary; John Zuchowski, treasurer. Under the guidance of our advisers and cabinet, everyone worked hard to make the J-Hop and Jr. Sr. Ball a success. Among other things accomplished this year was the magazine campaign and the Jr. Play under the direction of Mr. Larry Selka entitled "A Date With Judy". This also was the year we received our class rings.

Then came our fourth and final year. We were Seniors! Mr. H. J. Kohler and Mrs. Avis Velick were our advisers. Due to leave of absence of Mrs. Velick, Miss Joan Mettie helped Mr. Kohler as adviser. Heading the cabinet once again was Stan Reiter as president, Ken Gwozdz as vice-president, Barbara Kovacik as secretary, and Nancy Lorenc as treasurer. The class as a whole worked hard during the year to finance their Senior Trip to New York. We put on the Senior Play directed by Mr. James Stebbins entitled "Don't Take My Penny". The Senior Class took an active part in organizing the Student Council. Then came the last and final day—Commencement! Now the Senior Class of '55 is just a memory.

STANDING: Jim Christoff, Ken McDaniel, Ron Rumer, Larry Denko, Merlyn Nawrocki, Frank Kocian, Stan Weber, Coach.

SEATED: Stan Reiter, Dave Moreno, Jerry Vascik, Dennis Robison, Steve Vedra, Robert Williams.

The first team consisted of 2 seniors, 2 juniors, and 1 sophomore. They played well organized ball, with Jerry Vascik's great driving-in ability, Dennis Robison's rebounding, Dave Moreno's jump shot, and Steve Vedra and Jim Christoff teaming up to hold down the set shooting artistry from out in front.

The boys needed help in many occasions so they called on Stan Reiter, their most valuable sub. Of course the boys on the bench really reflect the team spirit on the floor.

Dennis Robison took the scoring honors for the season with 209 pts. followed closely by Jerry Vascik with 184 and Steve Vedra with 174. Foul shooting honors were also taken by Dennis Robison with 57.3% followed by Steve Vedra with 53% and Jerry Vascik with 51.8%.

The G.A.A.'s Volleyball Team, coached by Mrs. A. Velick, had a very successful season, winning 5 and losing 2. One of the two games they lost was lost in an overtime.

This year's team consisted of ten seniors, one junior, and one sophomore.

The girls have been willing to practice in the evening because they enjoyed this activity so much.

The "Good Old Days" --

You've heard folks say, "Take me back to the good old days"! Well, if they're referring to the horse and buggy and kerosene lamps—they can have those days. If they're thinking of taffy-pulling parties and two-bit haircuts—they may have something worth talking about.

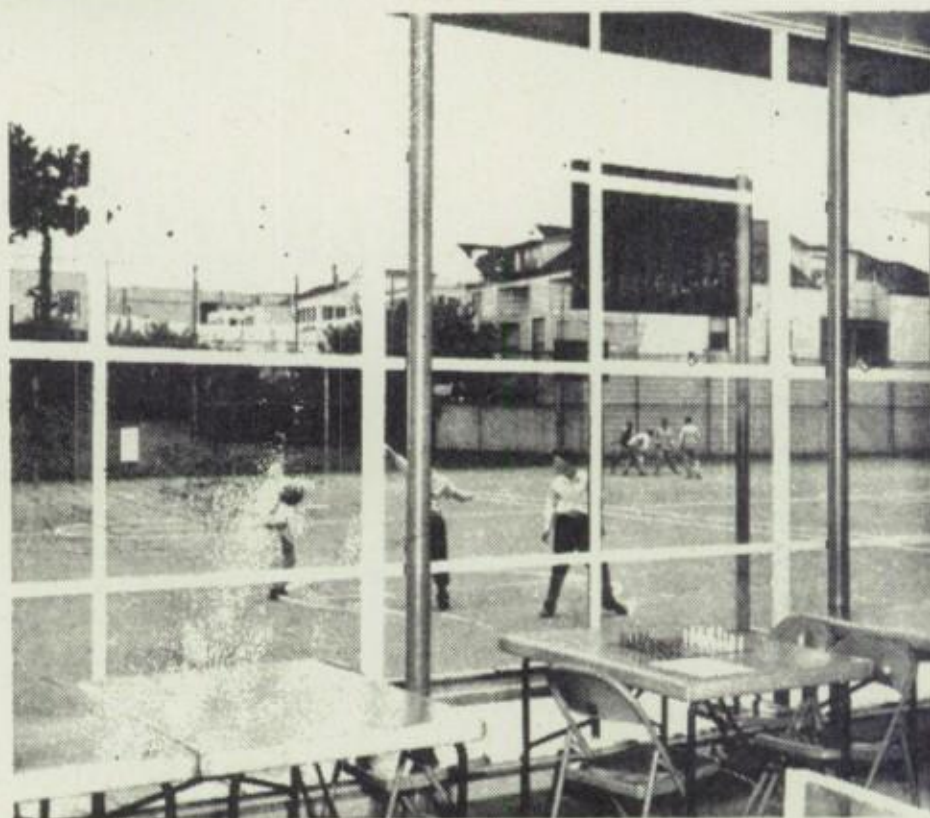

But when it comes to the advantages of our modern school architecture, we know that many of today's buildings are tops!

You see, more and more school boards are paying careful attention to daylight and view—with clear glass in classrooms from sill to ceiling. Taxpayers like Daylight Walls, too. They are economical to build and to maintain. And when windows are of **Thermopane** insulating glass heating costs are lowered and rooms are quieter.

Tuf-flex tempered glass is used on school elevations next to playgrounds and in gymnasium windows. It is heat-strengthened to withstand three to five times more impact than regular plate glass of the same thickness.

When reflecting upon the many advantages of this glass age we live in, we think you'll agree that the good new days are better!
